

- **flexible learning**
- **small group size**
- **‘Meet the Expert’-
guest lectures**
- **1-day practical ‘human
brain dissection’**
- **E-Lectures**

The module concept:

‘Blended Learning (or ‘Flipping’ the classroom) is a way of learning that combines traditional classroom lessons with lessons that use computer technology and might be given over the internet.’

You want to learn the basics of Neuroanatomy, but you don’t know where to start? We are offering a 4-weeks full-time beginners course starting Feb 2019 (Elective Module for Master students enrolled in the program ‘Biological Science’ and ‘Clinical and Experimental Neuroscience’, 6 CP’s).

Start: Feb 4th 2019

Where?

**Institute for Anatomy,
University Hospital of
Cologne**

**Joseph Stelzmann Str. 9,
50931 Cologne, Room 2.020**

Organized by the Institute for Anatomy II (Neuroanatomy)
